### Description

Juno grossed over \$130 million domestically.

I have written the sequel. If Mr. Mudd, Mandate or FoxSearchlight don't buy than it is available to any legitimate production company that wants to jump on the bandwagon.

Your lawyers will tell you the names will have to be changed, so we will call this 111 page script Juno-like or Junoesque. A 4-page sample is available via e-mail.

The winning bidder will get a hard copy, an electronic PDF file and a copy on CD.

The screenplay is copyrighted and registered with the WGA.

If you wish to have me sign a NDA, please e-mail me a copy.
